2022 Advisory Fees

Account Size	Annual Advisory Fee	Additional Charges May Apply
\$5,000 - \$499,999	1.50%	LPL charges a platform fee based on account size (0.13% - 0.35%); additionally, access to certain money managers may require an additional strategist fee, ranging typically from 0.15% - 0.50%.
\$500,000 - \$999,999	1.25%	
\$1,000,000 - \$4,999,999	1.00%	
\$5,000,000 - \$9,999,999	0.90%	
\$10,000,000 and above	0.50%	

We are compensated for our work on a fee basis with a management fee charged quarterly from the account(s) being managed. The fee is based on a percentage of the portfolio value. In addition, there may be some ancillary fees charged by LPL Financial for custody, transfers, and transaction costs. For more info, refer to: <https://www.lpl.com/disclosures/fee-schedules.html>

2022 Transactional Investments & Insurance

Investments:	Insurance:
In certain circumstances, clients may need to supplement their financial plan through the use of transactional investment products. This may be the case whenever there is no fee-based platform to manage the assets, and may include annuity products, as well as 529 plans, and accounts below \$5,000.	Compensation from insurance companies will be based on their standard commission rates which are regulated depending on the state of the sale.
